

## UNIVERSAL LEARNING SOLUTIONS

releasing infinite potential

**Job Title:** Literacy Project Consultant

**Salary:** E80-100/day Pay scale depends on experience.

**Hours:** Part time position (2-4 days/week).

**Location:** Based in our central Portugal office, close to Penela. The role will involve travel overseas, mainly to Nigeria.

**Contract:** 12 months

### Mission

Universal Learning Solutions is a not-for-profit organisation that works with government, educators, donors and experts around the world to provide bespoke services that deliver innovative literacy solutions.

Our work enables and enthuses teachers to deliver high quality literacy tuition and builds the institutional capacity of partners through knowledge and skills transfer. This gives children of all abilities the skills needed to read and write and helps governments meet their global education targets.

### Vision

Our vision is of a world where all children can read and write with confidence and enjoy their right to learn. Through this we believe we can help release a child's infinite potential.

### Primary Role

This is an exciting opportunity to join a fast-growing organisation that is helping transform the literacy levels of hundreds of thousands of children in low-income countries. The Literacy Project Officer will enable government school children in North West Nigeria to read and write through supporting the implementation of our state-level literacy projects in Niger, Kebbi, Sokoto, Katsina and Zamfara.

The successful candidate will support one or more of these projects by providing overall project guidance and budget management. This will require close and sensitive liaison with government and non-government actors, as well as local project staff and the project beneficiaries. They will also input into the development of new teaching materials, build key partnerships and alliances and spearhead new initiatives to strengthen the capacity of local teams.

### Specific Responsibilities

#### 1. Project Quality:

- Provide support to Nigerian project coordinators on project direction and implementation strategies.
- Identify and implement innovative solutions to sometimes complex challenges.
- Ensure that best practices, lessons learned, and constraints are consistently captured and shared across the state-level literacy project programme.

- Coordinate regular project planning and coordination meetings with local monitoring teams to ensure that programming is consistent.
  - Organise regular opportunities for communication and exchange between project staff throughout the country programme in order to promote greater programmatic integration and facilitate discussion on crosscutting issues.
- 2. Financial support:**
- Support management of Universal Learning Solutions project funds in accordance with Universal Learning Solutions and donor rules and regulations.
  - Work closely with the Finance Manager to ensure that Universal Learning Solutions funds, donor funds and other resources are used responsibly.
  - Work closely with Finance Manager to ensure that budgets are managed in accordance with Universal Learning Solutions' and donor regulations and that financial reports are timely and accurate.
- 3. Project Staff Support:**
- Directly support the state-level project co-ordinator and wider monitoring team via regular communication and feedback systems.
  - Ensure that all project staff have job descriptions, and roles and responsibilities.
  - Coordinate with the monitoring team to ensure that all local staff are able to successfully fulfil their job responsibilities while at the same time supporting their professional development.

#### Personal Skills

- Exceptional communication skills, both written and verbal.
- Strong teamwork, coordination and strategic planning skills.
- Ability to deal effectively with deadlines.
- Ability to respond practically and operate successfully in difficult field conditions.
- Willingness to travel to and work in remote areas.
- Ability to be flexible, persistent, and diplomatic and to gain respect among local staff, local community leaders as well as local government ministries and donor organisations.

#### Qualifications, Knowledge and Experience

We will require candidates to be qualified in the majority of points below from both the 'desirable' and 'essential' criteria:

##### Desirable:

- ✓ Masters degree in education or a related field.
- ✓ Experience of project work in developing countries.
- ✓ Experience or an understanding of working with international non-governmental organisations.
- ✓ Experience of working with an education or literacy organisation preferably in the developing world.
- ✓ Knowledge of literacy teaching methodology.

##### Essential:

- ✓ Excellent writing and communication skills.
- ✓ Professional experience and/or academic training in the area of education, monitoring and evaluation or other relevant fields.
- ✓ Proven track record of achieving results.
- ✓ Strong cultural awareness and the ability to work with partners both nationally and internationally.
- ✓ Excellent interpersonal skills.

- ✓ Capacity to listen well and inspire trust.
- ✓ Resourceful and well organised.
- ✓ Understanding or experience of project management including budget management, project planning, monitoring and evaluation.

**To be successful as a member of the Universal Learning Solutions team you will also:**

- Have a passion for Universal Learning Solutions' mission and a strong desire to work for a not-for-profit organisation to bring about positive social change.
- Adhere to Universal Learning Solutions' core values including family, humility, quality and flexibility.
